

A1 Transmission of GA Inc. Warranty Information

A1 Transmission of GA Inc. proudly stands behind our work with the following limited warranty coverage:

Warranty Coverage

Stage 1 Diesel/Lightning Builds – 3-Year / Unlimited Mileage

Stage 2 Diesel/Lightning Builds – 2-Year / Unlimited Mileage

Stage 3 Diesel/Lightning Builds – 1-Year / 18,000 Miles

This Limited Warranty Covers

Repair or replacement—at our discretion—of any defective components. This warranty is designed to protect both our customers and A1 Transmission of GA Inc. from manufacturing-related defects.

This warranty does NOT cover failures resulting from:

- Abuse or misuse
- Low fluid levels
- Parts breakage
- Improper tuning
- Incorrect installation
- Failure to flush or replace the transmission cooler and related components
- Undersized transmission lines or inadequate cooler systems
- Addition of inline aftermarket filter systems that may cause fluid restriction

Labor Coverage

For Stage 1, 2, and 3 builds, if a failure occurs within the first year, A1 Transmission will cover 100% of labor costs only if the unit is returned to our facility.

For shipped or out-of-state units, A1 Transmission will contribute up to \$500 toward shipping fees. Vehicle transport or tow truck services are not covered.

Second and Third Year Coverage (Stage 1 & 2 only): A1 Transmission will cover 100% of labor for in-house repairs. The cost of parts during this period is the customer's responsibility. No shipping or transport fees will be covered beyond the first year.

Important Notes

- Broken shafts, drums, or other hard parts are not covered under any circumstance.

- High horsepower or torque applications may exceed the physical limitations of internal components.
- This warranty is non-transferable.
- Most common causes of warranty denial include improper installation and failure to flush or replace the transmission cooler.

Additional Disclaimer

A1 Transmission of GA Inc. is not responsible for rental car expenses, loss of income, downtime, lodging, or any incidental or consequential damages resulting from vehicle downtime, whether or not covered under this warranty.
